Installation Manual

1. „Audi Navigation Plus“ OEM head unit

2. Use 4 radio release keys to dismount the OEM radio.

3. Remove the OEM radio.

4. Fix mounting frame (B) on dashboard.

Fix it with 2 cylinder headed screws (A)

Push metal frame through mounting frame

Mount the metal brackets with the double DIN head unit

The position of the copper coloured holder can be adjusted to your needs for perfect fit. (see sample)

5. Connect alle required circuit points and push the double DIN head unit until it snaps in.

Place facia plate to finish installation.
